3 SALIENT VERITIES FOR THE FINAL WEEKS OF 2007 FOR A COUNTRY GONE CRAZY WITHOUT GOD

1. Salient Truth #1 for October-December 2007

The Salient Question: Pursuant to the vacuous Bush/Petraeus hearings on Capitol Hill September 10 and 11, WHY WON'T DEMOCRATS AND REPUBLICANS UNITE TO BRING THIS INSANE IRAQ WAR TO A CLOSE?

The Salient Answer: Because they all know all too well that the Iraq war is ISRAEL'S WAR, and that if they are too overtly and too obviously opposed to it, THEY WILL LOSE THEIR SEATS IN CONGRESS IN 2008. It is just that simple. In the words of inspired scripture: FOR FEAR OF THE JEWS. (John 7:13, 19:38, and 20:19)

A COUNTRY GONE CRAZY WITHOUT GOD

2. Salient Truth #2 for October-December 2007

The Salient Question: In view of all the incessant talk about withdrawing our troops from Iraq, what is the reality?

The Salient Answer: This godless Skull and Bones New World Order government has no intention of reducing,

much less removing our troops from Iraq. U.S. military presence in Iraq is essential to the coming U.S./ISRAEL one-world rule, hiding behind "freedom and democracy."

Tens of thousands of our military will remain in Iraq till the end of time . . . till the Second Advent of our Lord. Contrary to the advice of George Washington, and in obedience to Israel's demands, American presidents will continue the occupation of Germany, Japan, South Korea, and Iraq, and soon, if Israel has its way, IRAN.

A COUNTRY GONE CRAZY WITHOUT GOD

3. Salient Truth #3 for October-December 2007

The Salient Background: When he campaigned for the presidency in 2000, Dubya Bush promised "NO NATION BUILDING." He broke that promise and embarked on a wild "freedom and democracy" misadventure in the Middle East. What motivated him was a satanic Skull and Bones doctrine: A NEW WORLD ORDER OF PEACE AND SAFETY, FREEDOM AND DEMOCRACY. (Google "Yale," "Skull and Bones")

The Salient Solution to Dubya's Misguided Misadventure:

WHAT IRAQ NEEDS IS A GOOD DICTATOR

No disrespect intended, but OUT-OF-CONTROL CITIZENS NEED TOTALITARIAN RULERS. (Read page 195 of my book On the Wrong Side of Just about Everything but Right about It All for how Saddam Hussein helped Christianity flourish in Iraq.)

Well, I well remember being taught in grade school that throughout history there have been both good dictators and bad dictators. Just because a king or ruler exercised absolute power over the people doesn't mean that he was evil, tyrannical, or bad for the country and its citizens.

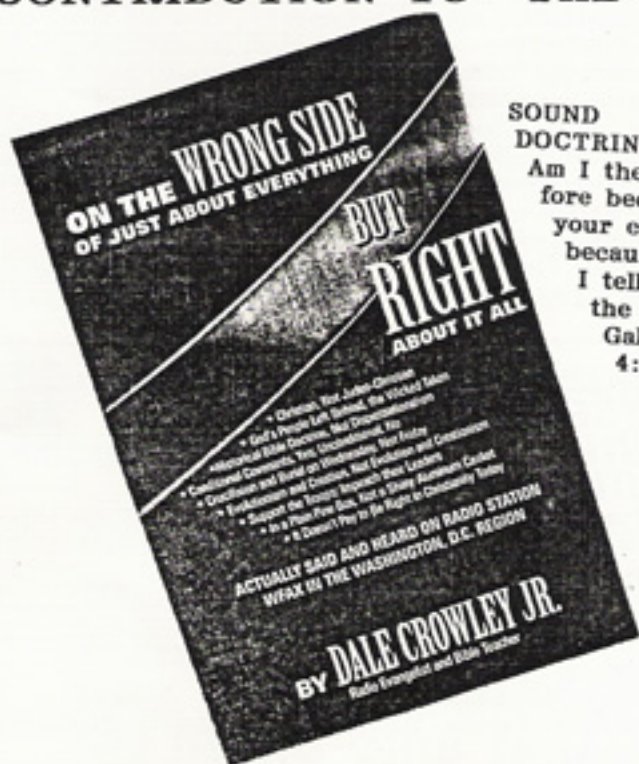

FREEDOM AND DEMOCRACY,
AS A FORM OF GOVERNMENT,
CANNOT BE FOUND IN THE BIBLE

(So it was not God Who told a president to spread freedom and democracy to the world!)

Thanksgiving and Gift Giving in One Verse of Scripture: "Thanks Be Unto God For His Unspeakable Gift"

II Corinthians 9:15

Radio message by Dale Crowley Jr.

*Give Thanks Always;
Celebrate The Saviour's
Coming Everyday*

*"Grace" and "Thanksgiving"
Are Intertwined in Scripture*

It is wonderful that America's first settlers gave thanks to the God of the Bible for His great love, care, and provision for them, and it is good for America that we remember that event on Thanksgiving Day once a year.

It is a little known fact of Greek-English linguistics that the Greek word *charis*, which means *favor, generosity, and liberality*, is translated various ways into English, such as *grace, gift, thanks, and thanksgiving*.

It is even more wonderful that God gave His Son to save us from our sins, but we should thank Him for His great Gift everyday of the year. And since there are so many unbiblical and pagan aspects to the celebration of Christmas, it is even more important that we place less emphasis on December 25, and more on the other 364 days of the year.

I close this short message with some of the verses of scripture which demonstrate this relationship between the Christian doctrines of giving, receiving, and thanksgiving.

I won't analyze each scripture, but here they are (there are many more):

Thanks [*charis*] be unto God for his unspeakable gift. II Corinthians 9:15

For ye know the grace [*charis*] of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich. II Corinthians 8:9

The gift [*charis-ma*] of God is eternal life through Jesus Christ our Lord. Romans 6:23

How shall he not with him also freely give [*charis*] us all things. Romans 8:32

With thanksgiving [*eu-charis*], let your requests be made known unto God. Philippians 4:6

In everything give thanks [*eu-charis*]. I Thessalonians 5:18

We give thee thanks [*eu-charis*] O Lord God Almighty. Revelation 11:17

FOCUS ON ISRAEL
Was gagged by WFX, contributions to all our ministries
have fallen off. PLEASE HELP with a generous
year-end contribution.*

PLEASE CONSIDER THESE WAYS OF HELPING AS YOU PLAN YOUR YEAR-END GIVING

Your cash contributions help us pay current bills.

These kinds of contributions will insure your partnership far into the future:

- 1. Real property.** You can donate land, lots, houses and lots, and condominiums. You take the deduction for the fair market value. We sell the property and use the proceeds in the King's Business.
- 2. Other property.** You can donate automobiles, jewelry, gold, silver, etc. You take a deduction for the fair market value. We sell the property and use the proceeds in the King's Business.
- 3. Securities, stocks and bonds.** You can sign these papers over to the King's Business and take a deduction for the full appreciated value of the securities. We sell the stocks and bonds and use the proceeds in the King's Business.
- 4. Trusts.** You can guarantee the King's Business to receive a portion of your property and estate—either present or future—through a trust document. You take a deduction for the fair market value of the trust. When the property comes to us, we sell it and use the proceeds in the King's Business.
- 5. Wills and life insurance policies.** These are "deferred gifts," and although still very popular, wills are the most time consuming and sometimes most expensive way to donate your property and estate to the Lord's work. And you cannot take a deduction on the property named in the will while you are living. (You can take a deduction on the cash value of a life insurance policy.) After you have gone on to be with the Lord, the King's Business will use the proceeds of the willed property, causing your life and testimony to live on for His glory.

DEAR READER AND FRIEND: Will you be a partner with us in these God-given, God-blessed ministries with a special year-end contribution? Please pray about including **THE KING'S BUSINESS MINISTRIES** in your trust, living trust, or will. Perilous times are upon us, and more lie ahead. Let us all "lay up treasures in heaven" while there is yet time.

*We promise to be good, wise, and faithful stewards of the
Lord's money that you contribute to THE KING'S BUSINESS*

HAPPY NEW YEAR 2008

WHAT IRAQ NEEDS IS A GOOD DICTATOR, NOT WESTERN STYLE "FREEDOM AND DEMOCRACY"

But because of an American president's foggy, dreamy, hazy, unrealistic notions about "freedom and democracy" in Iraq, the Middle East, and the world, out-of-control Iraqi citizens lost their only hope for order, peace, and prosperity.

I warned Washington and the world of Bush's folly before the first bomb fell on Baghdad, and I described what was coming as "the genie out of the bottle," "disturbing a hornet's nest," "a can of worms," "a quagmire," and one of the worst blunders in American history. I was absolutely right from the beginning; the elite war party, and multitudes of Christians like Falwell, Hagee, et. al. were wrong.

NO MORE WARS FOR ISRAEL

AGAIN???!?!!

Professor Norman Finkelstein just lost his good job at prestigious Hunter College because he dared tell the truth about Israel in his book The Holocaust Industry. (WFAX gagged the "Focus on Israel" program.)

1. Immigrants will not be entitled to government assistance programs, such as welfare and health care.
2. There will be no bilingual schools or bilingual government publications.
3. Immigrants may not engage in public protests, demonstrations, political activity, waving a foreign flag, or criticism of any government policy.
4. Immigrants will have strict restrictions on their ownership of real estate; for example, immigrants may not own waterfront property.
5. Immigrants will never have the right to vote.
6. Immigrants cannot be elected to public office.
7. Illegal immigrants will be hunted, arrested, and sent to jail.

There is no such thing as "President's Day"

George Washington's Birthday Has Not Been Replaced by "President's Day"

"President's Day" isn't even listed in the 1995 *Information Please Almanac*.

The only holiday that comes close (on page 587) is "Washington's Birthday," and that's the real one! "President's Day" is as phony as a \$3 bill, and is nothing more nor less than an effort to detract from the honor that is due General George Washington, our First President.

Here is what my almanac says about it: "Washington's Birthday, Wednesday, Feb. 22. The birthday of George Washington is celebrated as a legal holiday in every state of the Union, the District of Columbia, and all territories. The observance began in 1796."

What does Congress, which has the duty to set legal holidays, have to say on the matter?

On June 28, 1968 H.R. 15951 was passed. It is now known as Public Law 90-363, and lists "Washington's Birthday, the third Monday in February," among others. There is no mention in Public Law 90-363 of a "President's Day."

The point I am emphasizing is not intended to detract in any way from any of our presidents who might be included and honored on a so-called "President's Day." (Why isn't this fictitious holiday spelled as plural possessive—"Presidents' Day"?)

On March 20, 1993 the *Washington Times* printed a letter from our friend Mary Curtis, a portion of which put it this way, "News commentators on radio and television wish their listeners a happy President's Day, and moments later re-

port on a black history event. Store ads run President's Day sales. So today, just about everyone believes that the official federal, legal holiday is 'President's Day.' No so."

The Father of our Country Said

"... it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor."

"Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable supports."

"The foolish and wicked practice of profane cursing and swearing is a vice so mean and low that every person of sense and character detests and despises it."

"... a passionate attachment of one nation for another produces a variety of evils." (Translated into modern 20th century English: A passionate attachment of the United States of America for Israel produces a variety of evils.)

"It is impossible rightly to govern the world without God and the Bible."

GOD SAID

Blessed is that nation whose God is the Lord. Psalm 33:12

When the righteous are in authority, the people rejoice; but when the wicked beareth rule, the people mourn. Proverbs 29:2

fairest fabric that God has ever created, under the cloak of that medical profession, monsters of iniquity."

But by 1967 these erudite doctors of medical science modified their definition of abortion to "the interruption of an unwanted pregnancy." And in 1970 they shortened it further, calling abortion "a medical procedure."

All these contradictory statements can't be true. The fact is that in the 1800s the AMA told the truth about abortion and abortionists. In the 1900s they have lied.

SALVATION PROMISE

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. Romans 10:9-10

IN REMEMBRANCE AND IN HONOR

Two of my most respected friends and colleagues were called home to heaven this summer. They are Dr. Bolton Davidheiser and Prof. Carl Sandberg.

I met Prof. Sandberg in 1976 in Washington, and Dr. Davidheiser in 1977 in Philadelphia. I had been reading Dr. Davidheiser's writings for several years, and so was thrilled to meet him.

Both were brilliant scientists, thinkers, and debaters, in the creation/evolutionism disputes of the past half century. They were invaluable sources of information, inspiration, and encouragement to me in my ministry.

Almost twenty years ago I recommended Prof. Sandberg to the faculty of the Leesburg Christian School. His Christian, scholarly, and scientific influence on thousands of students is immeasurable.

Thank God for men of such mighty gifts and influence in the work of His kingdom, in the midst of a confused, wicked world. Let us pray that those whom they taught and inspired will step forward and be appointed by our Lord to take their places.

I pray God to bestow the best of blessings on this house and all hereafter who inhabit it. May none but honest and wise men ever rule under this roof.

John Adams, second President of the United States, when he moved into the brand new White House

Our great want is a revival which shall bring these young men to Christ. We poor sinners need to come back from our wanderings to seek pardon through the all-sufficient merits of our Redeemer. And we need to pray earnestly for the power of the Holy Spirit to give us a precious revival in our hearts and among the unconverted.

Robert E. Lee, when he became president of Washington College, 1869

The secret of my success? It is simple. It is found in the Bible, "In all thy ways acknowledge Him and He shall direct thy paths."

AMERICAN MEDICAL ASSOCIATION
SAYS ABORTIONISTS ARE
MURDERERS AND ASSASSINS

The official definition of abortion by the American Medical Association in 1859 was "The slaughter of countless children, no mere misdemeanor, no attempt upon the life of the mother, but the wanton and murderous destruction of her child—such unwarranted destruction of human life."

In 1870 the AMA elaborated on the earlier definition: "The work of destruction, the wholesale destruction of unborn infants." Then the AMA described the abortionists themselves: "Men who cling to a noble profession only to dishonor it, false brethren, educated assassins, these modern Herods, these men who would with corrupt hearts and blood stained hands destroy what they cannot reinstate, corrupt souls, and destroy the
