## WHEN I MADE A MESS (and I made plenty of them) AND WHEN MY STRICT, WISE, AND LOVING PARENTS DISCOVERED IT (and they always did)

I didn't have the nerve, the audacity, the temerity, the insolence, the effrontery, or the disrespect to turn to my strict, wise, and loving parents and say:

### "YOU STRAIGHTEN IT OUT"

It was very simple. I was taught that when I made a mess it was my responsibility, my problem to clean it up and straighten it out.

Yet today, despite this age-old principle of proper human behavior, we have government elite who make monumental messes, and then have the nerve, the audacity, the temerity, the insolence, the effrontery, the disrespect, and the CHUTZPAH to turn to the American people and say:

### "YOU FIND THE WAY TO STRAIGHTEN OUT THIS MESS; YOU FIND THE ANSWERS AND FIX IT"

The lesson here is simple and clear: Today we have a President who plunges the United States of America into the messiest mess it has gotten in to in 230 years. Then he has the nerve, the audacity, the temerity, the insolence, the effrontery, the disrespect, and the CHUTZPAH (a word with good neocon connotations) to face the American people and tell us, "You find the answer to straightening out this mess in Iraq."

**CONCLUSION:** If I displayed such audacity and disrespect to my godly, strict, wise, and loving parents, I would have to face severe consequences. Isn't it about time this President face the consequences of his unconscionable, immoral, and arrogant behavior?

*For more on this subject read Chapter 12 of my book On the Wrong Side of Just about Everything but Right about It All. You will read sound Bible truth and precise predictions of the Iraq blunder before it started. These predictions and warnings were broadcast on Washington D.C. radio (WFAX) and heard clearly in the White House, and are part of the reason my "Focus on Israel" radio program was banned from WFAX. Please turn the page for a very personal year-end, New Year message.*

During this season of thanksgiving, giving and receiving, let us rejoice for God's great gift of His Son for our salvation. • The prophets predicted it: "Unto us a son is given." • The blessed virgin Mary confirmed it: "My soul doth magnify the Lord, and my spirit hath rejoiced in God my Saviour." • The angel announced it: "For unto you is born this day in the city of David a Saviour which is Christ the Lord." • John the Baptist proclaimed it: "Behold the Lamb of God, which taketh away the sin of the world." • Jesus Himself affirmed it: "For God so

loved the world that he gave his only begotten Son." • Jesus' disciples preached it: "Neither is there salvation in any other." • The Apostle Paul expounded it: "For ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich." "Thanks be unto God for his unspeakable gift."

(The scriptures cited above are Isaiah 9:6, Luke 1:46-47, Luke 2:11, John 1:29, John 3:16, Acts 4:12, II Corinthians 8:9, and II Corinthians 9:15.)

## CENSORED AND GAGGED IN 2006 . . . A TURBULENT YEAR FOR AN OLD SOLDIER OF TRUTH

I turned 78 a few weeks ago. Through the years I have looked forward to the time in my old age (that is, if God willed old age for me), when life would be easier--not physically, of course, but financially, psychologically, and yes, even spiritually.

But 2006 turned out to be one of the most difficult of my life . . . certainly the most difficult of my old age, so far.

I write what follows, certainly not to solicit pity, but to inform those closest to me what I have been through in 2006. and to alert and warn all about what is coming.

Most importantly, I must say at the outset of this year-end, early 2007 message, I have been driven to some of the most unpleasant words of scripture for comfort . . . over and over again, every day, night and day . . . scriptures such as Isaiah 53:3: "He is despised and rejected of men, a man of sorrows, and acquainted with grief." (Isn't it amazing; we are taught to be "Christlike," or "like Christ," but such truths as these are never mentioned!), and Matthew 5:11: "Blessed [congratulations] are ye when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake."

2006 began with WORLD magazine refusing to sell me advertising space for my new book, On the Wrong Side of Just about Everything but Right about It All. The wonderful Christians at WORLD didn't like either the "tone or content" of my book of 100 percent biblical and political truth.

The bright spot in this devastating rejection was that my dear friend and courageous attorney, John Hemenway, secured an apology from WORLD CEO Nicholas E. Eicher, in writing, for rejecting, without any explanation whatsoever, my application for advertising space.

This rejection hurt, not only psychologically, but financially, because I knew that WORLD readers would buy my new book.

Then in March came the stinging rejection by radio station WFAX of my popular radio program, "Focus on Israel." That a well known, respected radio preacher would not be towing the "pro-Israel, God's chosen people, Iraq-war-for-Israel" line just could not be tolerated any longer by the ADL, National Religious Broadcasters, and Christian neocon crowd.

The Newcombs have been family friends since the 1950s. WFAX is the premier Christian radio station of the Washington area. Its signal reaches into the White House, and to thousands of government and world elite, as well as to plain ordinary folks like me.

This rejection hurt in many ways. My broadcasts of 100 percent truth on the subject of Israel were judged by the station to be "offensive." (Isaiah, Jeremiah, Paul, and our Lord Himself would not qualify to broadcast a "Focus on Israel" program.)

I lost thousands of listeners who loved my Saturday morning "Focus on Israel," and many of them stopped tuning in to my other broadcasts Monday through Friday.

Some of the few listeners who had the conviction and courage to contribute to the support of my unusual radio ministry stopped. It was a terrible blow to our radio broadcast ministry finances.

Some interpreted this censoring and gagging of "Focus on Israel" as being a total termination of my WFAX radio ministry, and simply quit listening, writing, and contributing.

Finally, for a lowly Baptist preacher to be muzzled by a prestigious radio station, in the minds of shallow-thinking people, simply means that the preacher is wrong, and the radio station is right. We're talking here about hurting one's reputation and standing. Yes, it hurt.

-----

Then came the betrayal by the printing firm that printed my new book--Xulon Press, Inc.

I had seen Xulon's advertisements in WORLD magazine, and my son J.D. found them on the internet. Xulon is a printer of books, mainly by Christian authors (Xulon is not a publisher of books, in a strict sense of the word "publisher.") I went to them to print my book, in part because of their offer of an impressive "publicity and marketing package." I thought \$899 would be a small price to pay for this comprehensive and experienced service getting my book before the public worldwide, in a way that I could not possibly accomplish.

But when the time came for Xulon Press, Inc. to publicize and market ("sell") my book they reneged, and refused to do almost all of the publicity and marketing services they contracted to do for our \$899.

By the summer of 2006 Xulon Press, Inc. was refusing to return my telephone calls, or respond to my e-mails, faxes, or Certified Mail letters. After already six months of rejection and muzzling you can imagine, for example, the hundreds of hours of sleep lost agonizing, wondering, worrying, and praying.

Now I am so distressed over this treatment by "the publisher of choice of Christian authors"--Xulon Press, Inc.--that I believe I must warn every reader of this report, and every visitor to this website against doing business with these so-called Christian publishers. "Buyer beware." (I am seeking legal counsel in order to know how best to deal with this breach of contract and damage.)

To "wrap up" this review of these three devastating episodes of 2006, I must tell you, dear friend, that I am now convinced that the same sinister forces are involved in, and responsible for all three of these attacks upon me and my ministry.

I am certain that the same crowd who refused to advertise my book then threatened and intimidated radio station WFAX to silence the radio program that was the source of many of the book's paragraphs and pages. Then they went to the book's printer, Xulon Press, Inc., to threaten and intimidate them not to pursue their aggressive publicity and marketing services that they are famous for, and that they agreed to do for us for \$899.

AFTERTHOUGHT . . . WOULDN'T YOU AGREE? . . .

Biblical radio messages by a man known for telling the truth throughout 60 years of ministry, printed and preserved in a book which triggered such drastic action by (1) a Christian news maga-

zine, (2) a Christian radio station, and (3) a Christian book printer . . . all in one year . . . such messages in such a book ought to be read by every Christian . . . even if only out of curiosity. WHAT ON EARTH WOULD CAUSE SUCH VIOLENT CONTEMPT, DISRESPECT, AND MUZZLING?

-----

READ ON FOR A RAY OF HOPE FOR FREE SPEECH IN AMERICA, AND FOR THE IDENTITY OF MY CENSORS AND GAGGERS . . .

There was one ray of hope for free speech in the midst of all these dark plots against the dissemination of truth in 2006: I WAS INVITED TO SPEAK ON THE SUBJECT OF FREEDOM OF SPEECH AND THOSE WHO SEEK TO SUPPRESS IT AT THE BARNES REVIEW AND AMERICAN FREE PRESS CONFERENCE IN WASHINGTON, D.C., ON LABOR DAY WEEKEND! (Go to American Free Press for a DVD of mine, and other speeches.)

-----

IDENTIFY THE CENSORS AND GAGGERS?

I identified one of my censors and gaggers by name on page 3. I could name more, but I will reserve that for a later date.

But to categorize these haters of unpleasant truth generally, they are (1) evangelical Christian devotees of the cult of Israel, (2) neocons, that is, once liberal leftwing Jews who jumped on the conservative bandwagon around the time of the Reagan presidency, who love Israel as much or more than their own United States of America, and who persuaded both Bushes to go to war against Iraq on behalf of Israel, and (3) a kind of combination of Nos. 1 and 2; that is, Israel-first neocon Jews who have become Christians. (They are the most dangerous of all.)

These are the characters who are responsible for the three instances of gagging and censorship that I experienced in 2006.

AN IMPORTANT CLARIFICATION OF (3), ABOVE . . .

A STRANGE PHENOMENON OF THE LAST CENTURY  
WITHIN EVANGELICAL CHRISTIANITY . . .

During the 1900s (twentieth century) many Jews worldwide converted to the Christ of the Bible. For this we are thankful. But they were overjoyed when they discovered that the great majority of evangelical Christians had embraced the Israel-first dispensational teachings of C.I. Scofield. This provided them with ample reason to continue on with their Jewish "chosen people"

racism, as well as with their pro-Israel dual loyalty, at the same time forsaking their religious and political liberalism, thus becoming what I call "Christian neocons."

Today America is full of these pro-Israel Jewish Christian racists. Many of them are now in prominent and powerful positions, such as pastors, radio and television evangelists, professors, editors, and journalists . . . precisely the ones to whom I fell victim in 2006.

### MY FINAL WORD FOR 2006

My being muzzled this year by the so-called Christian magazine, the so-called Christian radio station, and the so-called Christian book printer was not because I was spreading doctrinal, moral, and political error, but just the opposite . . . because I was telling the truth about it all.

Dear reader, be warned, beware. What you have read above are clear signs of the end times of the last days.
