

March/April 2012

Early in the morning of Monday, March 19, I experienced the symptoms of a "light" stroke.

I was hospitalized around noon.

MRI showed small brain damage about the size of the of your little finger.

Hospitalized Monday afternoon, Tuesday, and Wednesday morning . . . 48 hours . . . rapid recovery.

I am thankful for God's protective and healing power . . . could have been much worse . . . more walking and other physical activity will prevent these kinds of strokes. God answers prayer.

Mountain of work is now piled up. Must make this short. Please pray for "The King's Business" radio, publications, and foreign missions outreaches.

Sincerely, still busy at 83 in the Business
of the King,

When he learned of my recent illness, our son in Cambodia (missionary and Bible translator) sent me the following: The first question and answer in one of the well-known catechisms of the "Back to the Bible" movements of the past.

WHAT IS YOUR ONLY COMFORT IN LIFE AND DEATH?

That I, with body and soul, both in life and in death, am not my own, but belong to my faithful Savior Jesus Christ, Who with His precious blood has fully satisfied for all my sins, and redeemed me from all the power of the devil; and so preserves me that without the will of my Father in heaven not a hair can fall from my head; indeed, that all things must work together for my salvation. Wherefore, by His Holy Spirit, He also assures me of eternal life, and makes me heartily willing and ready from now on to live unto Him.

ANOTHER 2012 DESTRUCTIVE AND DISRUPTIVE CALAMITY

Mary and I found your letter and King's Business contribution in P.O. Box One on Friday, July 20.

Saturday morning at 6:00 a.m. we were awakened by our neighbor's huge 100-year old tree falling on our front porch and front yard. A gutter was ruined, and four holes poked in the roof, among other damages.

This explains why we are so late sending you this acknowledgement, receipt, and word of gratitude for your offering. Please forgive this tardiness.

You can imagine how many valuable hours and dollars have already been spent cleaning up the mess, and how many important duties have been put off again.

We are grateful for your partnership with us in the Business of the King, and for your prayers. (A bird-house standing in the middle of the yard was engulfed by limbs, branches, twigs, and leaves, but not touched by any . . . "HIS EYE IS ON THE SPARROW.")

Now we and our neighbors are hoping that State Farm insurance will cover the costs of negligence and property damage. (I warned our neighbors four years ago, and repeatedly, that their tree was going to fall on us!)

Hoping to hear from you again, soon,

Sincerely, still busy at 83

King's Business Ministries
and Crowley update

* A faithful and generous contributor wrote us in January: "I read your book again. I enjoy every minute of it. Scofield has certainly misled many people. It's not easy to get them to change their minds."

* One of President Ronald Reagan's top advisors wrote me last year: "Every Christian in America should read your book." (ON THE WRONG SIDE OF JUST ABOUT EVERYTHING, BUT RIGHT ABOUT IT ALL)

* THE KING'S BUSINESS MINISTRIES hears from around 25 faithful listeners and contributors monthly. That's 300 a year. John Hagee, the false prophet, probably hears from 300 daily!

* Mary is recovering well from a very serious wrist fracture (four days hospitalization). Nurses, physical therapists, and "bathing aids" come to see her almost every day.

* Mary turns 80 on February 22nd, 280 years after George Washington's birth. She was born during the George Washington's birthday parade in Alexandria in 1932, at the old Sibley Hospital on North Capitol Street.

* We are far behind in our King's Business work . . . will probably never catch up . . . cannot do all we wish we could . . . and cannot afford to hire help. We will prepare receipts for all your contributions this year, but not much else. Only two issues of Capitol Hill Voice are planned for this year--summer and winter, #s 60 and 61.

Sincerely, still busy at 83 in the
Business of the King,
