### Crowley Sets the Record Straight On Some of the Biggest Deceptions Ever Foisted on the Christian Public!

IN HIS EYE-OPENING, MYTH-SHATTERING BOOK . . .

# *On the Wrong Side Of Just About Everything, But Right About it All*

**1 INCONTROVERTIBLE PROOF** from the Bible itself that our Lord's crucifixion and burial were on Wednesday, not Friday. According to these passages, He was in the tomb 72 hours as He said He would be, not 36 hours as Man's religions affirm.

**2 THE PLOT OF TWO SANHEDRIN INSIDERS** gives us the proof that our Lord was resurrected from the dead.

**3 THEY ARE GOD'S PEOPLE** who are "left behind" on the last days . . . not the wicked as Tim LaHaye deceives.

**4 MORE THAN 30 UNQUESTIONABLE SCRIPTURAL** proofs spread over 100 pages of the book show that Israel-first Scofield dispensationalism is blatant, dangerous heresy.

**5 PROOF THAT AMERICA'S HISTORY** and heritage are "Christian," not "Judeo-Christian," as Jerry Falwell was so fond of saying. See Chapter 8.

**6 DUBYA'S IRAQ ADVENTURES ARE NOT OF GOD,** but of Satan, designed to destroy and scatter one of the strongest churches in the Middle East. (Wonder why Nagasaki and Hiroshima were chosen as nuclear targets?) See Chapter 12.

**These and other truths found in this book helped get Crowley's "Focus on Israel" program gagged and banned from radio station WFAX in Falls Church/Washington. Softcover, 228 pages, now just \$15 (reg. \$20).**
