Dear Friends and Family of The King's Business ministries:

Greetings from the Overstreet family. We want to wish each person a blessed New Year for 2017. We are looking forward to see how the Lord will use this ministry this year. We want to welcome to the KBM board our sons, Joel, Jonathan, and Daniel Overstreet. In our next mailing we will be featuring a bio on each of them so that our KBM supporters can get to know them and appreciate their contribution into continuing KBM. We also want to welcome Richard Johnson, long time KBM contributor, who has agreed to be a consultant to the KBM board. Each of these individuals has a heart for KBM.

We want to thank each friend and supporter of KBM for your support through prayers, encouragements, and contributions. As many of you know, we are entering 2017 without Sharon's father, Dale Crowley, Jr., at the helm. This has brought much sadness to our family's hearts. It is also a daunting feeling to carry on such a ministry without him. However, after much prayer and conversation with family members, we are convinced we are to continue in these ministries until the Lord makes it very clear KBM no longer has a Biblical impact on today's wayward culture. Listed below are the ministries we will continue and ministries we will be adding to KBM.

Ministries we will continue: 1) WFX radio, King's Business and Sound Doctrine, with Dale Crowley, Jr., four days a week; Right Start for the Day with Dale Crowley, Sr., airing once a week. 2) Continuation of the website, crowleysspotlightonisrael.com, which will include downloads of Dale's messages and articles. His books are also featured. 3) Support of the global ministries impacted by Dale and Mary's missionary life--Cambodia, Japan, Brazil, and Hawaii. 4) All ministry efforts will continue in making the Gospel of Jesus Christ clear.

Ministries we will be adding: 1) A guest speaker to be aired on WFX from time to time. We would like to air some of JD Crowley's messages. We are still working on how to do this and still have continuity with Dale Jr. and Dale, Sr.'s messages. 2) Support of Joel and Naomi (Crowley) Whitney's efforts on the Big Island of Hawaii to fight sex trafficking. 3) Help pastors and missionaries who come upon serious needs.

We will also be compiling all of Dale, Jr's great articles from the past three decades and plan to make them available on the website as well as in mailings. Many of them have been featured in Christian News, Capitol Hill Voice, and other publications.

Please let us hear from you from time to time. We covet your prayers and look forward to continuing the partnership with each of you first created by Dale and Mary Crowley.

In Christian love,

Terry and Sharon (Crowley) Overstreet
