

QUOTATIONS

The radio ministry characterized by straight thinking, plain talk, and bold action . . . featuring and advocating militant Christianity. "Fight the good fight of faith." 1 Tim. 6:12

You'll hear it first . . . and perhaps only . . . on "The King's Business" radio program . . . and sometimes you'll hear it before it happens.

Dale Crowley, Jr. – on the wrong side of just about everything, but right about it all. Out of step; out of tune; out of harmony; out of sync with just about everything going on in Christianity today. WORLD MAGAZINE refused to advertise his book; radio station WFAX gagged his "Focus on Israel" radio program. OUT OF FAVOR

(Washington Post's Dana Priest interviewed me on CBS TV in January, 1988, after Judge Benjamin Kendrick ruled in my favor in the matter of the burial of Haviv Schieber. Google it.)

PROPHECY, THE SECOND COMING

Noah and the ark are not a type of the rapture. Noah and his family never left the earth. Noah and his family were left behind to experience more blessings from God. Tim LaHaye has got it all wrong.

The Bible does not teach anywhere that there will be two resurrections separated by seven years, two raptures separated by seven years, or two Second Comings separated by seven years. The Bible does teach that these three events will take place once on the "last" day. There can be only one last day. "Last" means "last". – John 6:39, 40, 44

Perhaps the most egregious error in the history of Bible translation was the use of a pagan word – EASTER – to translate an Old Testament word – PASCHA (PASKA) passover – in Acts 12:4, 1611 King James Version. (The Pilgrims brought the Geneva Bible with them to the New World in 1620, not the King James Version.)

ISRAEL

Telling the truth about Israel – past, present, and future. Past – Old Testament, New Testament, and 100 A.D. to 1948 A.D. Present – 1948 A.D. to 2010 A.D. Future – “The Israel of God.”

Many Christians, misled and confused by Scofield dispensationalism, think there is one Israel. Six distinct Israels – maybe seven – can be easily identified.
Better know the difference!

Don't ever forget it: All the pro-Israel patriots on Fox News know who sign their paychecks.

POLITICS

The election of Barack Hussein Obama to the presidency of the United States of America tells us more about the American people than about him. It's demographics, dear reader.

If President Obama prays to the God of the Bible, he thanks Him every day for George W. Bush.

AMERICAN HISTORY

If James Madison, Alexander Hamilton, and John Jay could have looked down the corridors of future time, and seen the tyranny their Federal Government would become, they never would have written their Federalist Papers.

George Mason was the “Father of The Constitution”, not James Madison. James Madison was the “Father of the Bill of Rights.” Madison wrote what was to become the First Amendment for Virginia’s Declaration of Rights in 1776, thirteen years before the Constitution.

The great Christian jurists of Great Britain (who were most quoted by America’s founders after the Bible) maintained that mankind’s God-given “unalienable rights” are “LIFE, LIBERTY, AND PROPERTY” not “life, liberty, and the pursuit of happiness.”

I would like to know how that got changed. (Did the founders envision confiscatory taxes, eminent domain, etc.?)

“The pursuit of happiness” is an unbiblical, almost frivolous “right.” It gives tyrannical government carte blanche to confiscate any and every “property” of citizens from wages to gold coins to real estate (which being confiscated, is not true happiness).

The terrible war in the 1860s was not a civil war. It was a war between two nations – The United States of America versus the Confederate States of America. Southern black slave holders fought against the invasion of their property by the United States of America. And Northern slave holders – black and white – were soon forced, by legislation, to give up owning slaves.

If Abraham Lincoln were such a great president, he would have found a way to prevent, or stop a war in which more than 600,000 of America’s finest lost their lives.

The Sixteenth Amendment was passed and ratified by fraud. Google Eustace Mullins/Sixteenth Amendment.

FOREIGN AFFAIRS

The height of presumption, arrogance, and hypocrisy is our elite rulers' going around the world telling the nations of the world how to behave themselves. The truth is, most of the people of the world don't want our abortion, divorce, sodomy, pornography, failed schools, out-of-control children, or Hollywood-style entertainment.

HUMAN BEHAVIOR

Depraved human beings have always been successful "doing in" the righteous ("Do others before they do you") mainly because the righteous have neglected the words of our Lord, "Be ye wise as serpents but harmless as doves." We have tried desperately to be "harmless as doves" (Mr. Niceguy), while the unrighteous are studying the vulnerabilities, and plotting how to strike.

"They" are usually smarter, more cunning, and willing and able to "screw" the righteous, while the righteous are busy with their good works.

Otherwise how can the words of our Lord be explained, "Be ye wise as serpents, but harmless as doves?" - Matthew 10:16

THE ENGLISH LANGUAGE

When will supposedly educated people and publishers stop using postal codes in text material? "The Crowleys lived in AR from 1932-1936" looks bad and tacky, and is contrary to every English language authority such as the University of Chicago Stylebook. "The Crowleys lived in Arkansas from 1932-1936" looks right, and is correct.

The most useless and inane fad in modern English usage: "in terms of"; the sooner it vanishes in the dust heap of language history, the better.

Dale Jr. and Mary Crowley, by the grace of God (what spiritual and moral accomplishments are not by the grace of God?), have kept their wedding promise "for better or for worse" 60 years. Come, celebrate with us on Saturday, September 4th.
